# Eruptions

Dry, moist, scaly tetter, all forms of eczema or salt rheum, pimples and other cutaneous eruptions proceed from humors, either inherited, or acquired through defective digestion and assimilation.

To treat these eruptions with drying medicines is dangerous.

### The thing to do is to take Hood's Sarsaparilla and Pills

Which thoroughly cleanse the blood, expelling all humors and building up the whole system. They cure

Hood's Sursaparilla permanently cured J. G. Hines, Prantes, His, of eezema, from which he had suffered for some time; and Miss Alvina Wolter, Box 212, Algona, Wis, of pim' ples on her face and back and chafed skin on her body, by which she had been greatly There are more testimonials in favor of Hood's than can be published.
